

Laugh Again

A new hope for patients with pain

The Pain Center
OF ARIZONA

Get Back Into Life

The leading pain management center announces the opening of their newest facility.

The Pain Center of Arizona is a comprehensive, full-time pain management practice. We are committed to one goal, **relieving your pain**. The Pain Center is a medical practice led by Mayo Clinic trained physician, Dr. Steven Siwek, M.D. We treat the following types of pain:

- Low Back Pain Syndromes
- Neck Pain Syndromes
- Arthritis Pain
- Post-Surgical Pain
- Post-Trauma Pain
- Reflex Sympathetic Dystrophy
- Pelvic and Abdominal Pain
- Headaches
- Cancer Pain
- Painful Discs
- Shingles
- Fibromyalgia
- Sports Injuries
- Facial Pain

We will help you control and manage your pain, so you can get back into life.
