

Please select one: First Available Specific Pain Specialist

Please attach and fax the following with this patient referral form:

1. Patient Demographics 2. Insurance Information 3. Medical records including last three visits and medication list

Does your practice have direct messaging through its patient portal? If it does, you can send referrals through your EMR using our Secure Direct Address: thepaincenter@direct.myezyaccess.com. After submitting the referral, please send the patient's medical records and demographics via fax. Please note, our secure direct address is not a traditional email address. If your EMR is not set up for direct messaging, please send your patient referral to The Pain Center via fax.
